Conclusion

From rather humble beginnings, the Eaton Collection of Science Fiction and Fantasy has continued to grow and serve as a leading research collection for the fields of speculative fiction. We hope to further build on the legacies of Dr. Eaton and Professor Slusser as we continue to shape the collection to reflect the ever evolving landscape of speculative fiction. Much as it was under Slusser, teaching and outreach will continue to be a point of emphasis for the collection. We look forward to what the future will bring and believe the Eaton Collection will continue to serve as a valuable resource for current and future researchers and fans.
